SUMMARY

Data Analyst with hands-on experience in Excel reporting, SQL, and Python, built through both corporate operations work and independent technical projects. Skilled at reviewing large datasets to identify trends and discrepancies, building Excel dashboards for team-level reporting, and writing SQL queries against relational databases. Comfortable working with structured data, designing database schemas, and translating raw data into clear reports for stakeholders.

SKILLS

Data Analysis & Reporting: Excel Dashboards, MIS Reporting, Data Cleaning, Trend Analysis,

Programming & Querying: Python, SQL, Pandas, Data Structures & Algorithms

Databases: PostgreSQL, ORM, Database Schema Design, Query Writing

Tools & Platforms: Microsoft Excel (Pivot Tables, VLOOKUP/XLOOKUP), Tableau, Power BI

EXPERIENCE

Management Trainee (US Support) – Lance Soft

May 2025 – Sep 2025

Bhubaneshwar, Odisha

- Reviewed staffing data across 200+ records to identify hiring delays and trends, supporting weekly reporting for the US support team.
- Built Excel dashboards consolidating data from 2+ teams, enabling faster weekly performance reviews and cutting manual reporting effort.

Associate (Customer Support) – Tech Mahindra

Apr 2024 – Apr 2025

Bhubaneshwar, Odisha

- Reviewed and analyzed 100+ support tickets weekly to identify recurring issues, summarizing findings into reports for the team.
- Created and maintained 10+ SOP and FAQ documents, improving process consistency and onboarding speed for new team members.

PROJECT

HR Analytics Dashboard – Employee Attrition Analysis

2026

Tech Stack: Tableau, Microsoft Excel, Data Visualization, Calculated Fields

[GitHub](#)

- Developed an interactive Tableau dashboard analyzing 1,470 employee records across workforce, attrition, and retention metrics.
- Identified key attrition drivers including overtime, job satisfaction, and career growth factors.
- Created calculated fields, KPIs, and interactive visualizations to support HR decision-making.

EDUCATION

Banki College (Autonomous), Banki, Cuttack, Odisha
